Filed: March 1, 2004

Art Unit: 2857

For: A METHOD FOR RECONSTRUCTING  
COMPLEX WAVE ATTRIBUTES FROM  
LIMITED VIEW MEASUREMENT

Examiner: P. J. Assouad

**TRANSMITTAL OF DRAWING CORRECTIONS**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Submitted herewith is one set (32 sheets, 32 figures) of corrected drawings for filing in the above-identified patent application.

The Examiner objected to specific drawings for reasons stated in the Office Action dated July 26, 2006; specifically, in Figures 8-11, 13, 19, 21-25. The originally submitted drawings appear to have had banding introduced by the printer that caused some areas to appear lighter than other areas. All of the drawings have now been reprinted and resubmitted to correct these informalities. No new matter has been added.

Favorable consideration of the enclosed drawings is respectfully requested.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 06-2375, under Order No. HO-P02805US1 from which the undersigned is authorized to draw.

Dated: August 8, 2006

Respectfully submitted,

By
